RE: Fayetteville Express Pipeline LLC
Docket No. RP22-187-000
Notice of Withdrawal of Filing

Dear Ms. Bose:

Pursuant to Part 154.205(a) of the regulations of the Federal Energy Regulatory Commission (“FERC” or “Commission”), Fayetteville Express Pipeline LLC (“FEP”) hereby withdraws its Corrected Fuel Filing dated November 4, 2021 in Docket No. RP22-187-000, including the following proposed tariff records:

| <u>Version</u> | <u>Description</u> | <u>Title</u> |
|----------------|---------------------------|-------------------------------|
| 13.0.1 | Currently Effective Rates | 1. Rate Schedules FTS and ITS |
| 21.0.1 | Currently Effective Rates | 1. Rate Schedules HAT |

FEP’s November 4, 2021 filing in the above-referenced docket was filed as a new filing; however, it has been subsequently determined that the filing should have been made as an amended filing instead of a new filing.

Concurrent with this filing of Notice of Withdrawal of Filing, FEP has refiled its Amended Fuel Filing today in Docket No. RP22-116-001, which renders the Docket No. RP22-187-000 filing moot.

In accordance with Section 154.208 of the Commission’s regulations, copies of this filing are being served electronically on jurisdictional customers and interested state regulatory commissions. FEP has posted a copy of this filing on its Internet website accessible via <http://feptansfer.energytransfer.com> under Informational Postings, Regulatory.

Respectfully submitted,

Fayetteville Express Pipeline LLC
