RE: Fayetteville Express Pipeline LLC  
Docket No. RP23-161-000  
Notice of Withdrawal of Filing

Dear Ms. Bose:

Pursuant to Part 154.205(a) of the regulations of the Federal Energy Regulatory Commission ("Commission"), Fayetteville Express Pipeline LLC ("FEP") hereby withdraws the Summary of Negotiated Rate Capacity Release Agreements Filing dated November 2, 2022 in Docket No. RP23-161-000, which was filed incorrectly under FEP rather than the correct company, Rover Pipeline LLC ("Rover").

Concurrent with this filing of Notice of Withdrawal of Filing, Rover refiled its Summary of Negotiated Rate Capacity Release Agreements today in Docket No. RP23-163-000, which renders the Docket No. RP23-161-000 filing moot.

In accordance with Section 154.208 of the Commission's Regulations, a copy of this filing is being served on jurisdictional customers and interested state regulatory commissions. FEP has posted this filing on its Internet website accessible via <https://fepttransfer.energytransfer.com> under Informational Postings, Regulatory.

Respectfully submitted,

Fayetteville Express Pipeline LLC
